

## Update on Metal & Furniture for Food Program

### 20,000 Meals Provided Through Repurpose for a Purpose

Our recent partnership with Bryan Cave Leighton Paisner resulted in a donation that not only keeps furniture and metal out of landfills but provides 20,000 meals for children and families in the bistate region!

#### PARTNER PRAISE:

*"This is one of the most incredible projects I have worked on in my career. Instead of this furniture ending up in a landfill, it was repurposed—So used furniture and metal is now helping to feed those in need!"*

## Introducing 40 Facts for the Hunger Informed

### In Honor of the 40th Anniversary of Operation Food Search

Fact#1: What's the difference between food insecurity and hunger?

- Food insecurity is lack of access to adequate food because of limited money or other resources.
- Food insecurity can lead to the physical condition of hunger, which ranges from temporary discomfort to sustained, life-threatening undernourishment.
- Food insecure people are often forced to skip meals, eat less, buy cheap, non-nutritious food or feed their children but not themselves.
